## Un unico progetto, molteplici declinazioni di stile

n

Nigth 360 è una proposta di arredo trasversale e versatile. Un programma completo e ricco di opportunità compositive tra cui orientarsi con semplicità ed immediatezza. La camera, completa di armadio, letto e contenitori, è personalizzata attraverso il design degli elementi e l'accurata selezione di materiali e finiture.

Nigth 360 is a transversal and versatile furnishing proposal. A complete and rich program of compositional opportunities exploitable with simplicity and immediacy. The room, with wardrobe, bed and containers, is customized through the design of the elements and the selection of materials and finishes.

### 360

Nelle soluzioni compositive a catalogo l'armadio è protagonista: ogni modello, con sistema di apertura scorrevole o battente, è proposto abbinato a letto e contenitori.

In the proposed solutions of the catalog, the wardrobe is the protagonist: each model, with sliding or hinged opening, is proposed combined with bed and containers.
